Legend 2300

*The Rayglass Legend 2300
 – going that extra yard!*

We let the customer make the choice. Boaties everywhere will welcome our special touches. Choosing to go that extra yard on the 2150 Rayglass have redesigned the drivers consol, introduced padded side coamings, 180° swivel chairs, underfloor

storage, a more accessible live bait tank and a washdown sink all in a double berthed dayfisher that even the ladies will enjoy!
 - Of course the decision to take the wife fishing is still your choice!

The 2300 is a family sized boat with enough space and comfort for a day on the open water. We recommend Mercury 250hp for fun on the water.

The *Rayglass Legend 2300*
